MEDICARE SUPPLEMENT RATE ADJUSTMENTS - TENNESSEE

SEPTEMBER 4, 2017

Dear Valued Agent,

Medicare supplement plans A, F, G, and N will not experience a rate adjustment this year. There are new area factors resulting in the following changes: zip 372 is now 1.07, zip 381 is now .98. All other zips are 1.00. These changes are **effective August 31, 2017**. Letters to existing policyholders regarding the rate adjustments will be mailed from our office this week and will take effect after the required 30-day notification period has elapsed.

All New Business applications signed and dated on **August 30, 2017** or earlier should use the current premiums. Applications signed and dated on or after **August 31, 2017** must use the new premiums.

You may download the new Outline of Coverage located in the “Product Forms” section of our agent portal <https://ren.admin-portal.org/> when they have been updated. Printed versions will be available within the next couple of weeks.

Thank you for your continued support and partnership!
